Chloe Chlumecky

A figurative oil painter based in Windsor, Ontario, and a recent BA graduate from the University of Windsor. Her work captures the beauty in overlooked, quiet moments that reveal the essence of human experience. By preserving these memories with a sense of nostalgia and whimsy, she invites viewers to reflect on their own personal moments of beauty. Drawing from her own life, Chloe takes reference photos of everyday scenes to create intimate, autobiographical paintings. Her work has been exhibited across Canada and the U.S., and she has received multiple grants from the Canada Council for the Arts and the Ontario Council for the Arts.
